Prisoner Makes Attempt to Escape

Coleman Caudle, the Easley youth, recently lodged in the Pickens county jail, charged with burglary, made an unsuccessful attempt to escape from the jail recently. He was in possession of a knife, which he claimed to have found in his cell, and taking the steel spring from the sole of his shoe, he gapped the blade of the knife, making a saw of it. With this he sawed the lock off his cell door and was making a hole in the outside wall when discovered.

Sheriff Roark was carrying some fruit to Caudle which his father had sent him. As he unlocked and passed through the big door which leads to the cells, Caudle attacked him from behind. After a scuffle the sheriff succeeded in handcuffing the prisoner and locking him up.

Two other prisoners were in the same cell with Caudle, but neither made any attempt to escape. In fact, one wrote a note informing the sheriff of the attempted escape and dropped it out of the window, but it was not found until the next day.

The Greenville News carried a story of the affair, written up in Jesse James style and making it appear that every prisoner in the jail was in the plot, but as is quite frequent with stories in that paper, the facts were greatly distorted.

Don't You Believe It.

Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Tablets have cured others—why not you? Give them a trial. They cost only a quarter. For sale by all dealers.—Adv.

Brains Dulled By Constipation

Some People Only Half Alive. Dodson's Liver Tonic Cleans You Out and Wakes You Up.

When constipation is having its evil effects on your body and brain, Nature is doing her best to offset them and overcome the cause itself. But usually Nature cannot do this unaided.

In the past many sufferers at such a time used to turn to dangerous calomel in hope of relief. For some people calomel does appear to give a temporary benefit, but as a matter of fact it is a poison that proves to be injurious and even dangerous to many. If you have ever taken calomel you probably have suffered from evil conditions following its use.

But nowadays great numbers of people have learned how to feel better, brighter and healthier by taking Dodson's Liver Tonic instead of calomel. Indeed, this harmless vegetable liquid is recommended and guaranteed by the Pickens Drug Co., who will refund the purchase price to you without question if you are not completely satisfied with it.

Get a bottle of Dodson's Liver Tonic for only 50c. and learn for yourself how easily and naturally it assists Nature in getting rid of and correcting constipation and biliousness, how it clears away the sick headache and coated tongue and sets you right without any interference with your regular habits. Fine for the children. They like to take it.—Adv.

"Too Much Weed" Ruins Many a Cotton Crop
The answer is—Balance your fertilizer! The idea that cotton doesn't need much

POTASH

belongs to a past age. Few soils have enough available Potash to produce the best cotton.
Try a cotton fertilizer with 5 to 8% Potash and use Kainit liberally in side-dressings. Add to an old-style fertilizer an equal amount of Kainit.
Potash Pays. Write to us for free book on Cotton Culture and for prices on any amount of Potash from a 200-lb. bag up.

FEEDLE OLD PEOPLE
Are Told How to Regain Strength and Vigor.
As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak.
Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.
Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, I am sure you would be unable to supply the demand. I never took anything before that did me so much good as Vinol. It is the finest tonic and strength creator I ever used in my life."
If Vinol fails to build up the feeble, old people, and create strength we will return your money.
Pickens Drug Co., Pickens, S. C.

PEPSI-Cola
gives you natural refreshment quick as the first delicious drop of Pepsi-Cola moistens your tongue. Lasts long as the fruit, tart juices and oils stay in your system and mix with your blood. Not so sweet as some others—it stops thirst—doesn't produce more! Anybody can drink it and feel better.

PEPSI-Cola
In Bottles At 5c

Magnificent \$700 Player Piano to be Given Free.

The above is a cut of the beautiful Cote Player Piano which the Pickens Sentinel is offering to the contestant obtaining the largest number of votes in the contest now going on, but it is pertinent to say that the cut by no means does the piano justice. Visit the Pickens Drug Company, where the piano is on display, and you will agree with us as to that. The beauty of the piano and its charming tone cannot be appreciated without a visit to the store mentioned. The piano is warranted for ten years. No other piano manufacturer in this country has a higher rating than the Cote Piano Manufacturing Company, of Fall River, Mass., and the piano The Sentinel is offering in this contest would grace the home of a millionaire.

The diamond ring, a beautiful solitaire, is on display in the window of the Keowee Pharmacy. You may examine the ring closely by asking any one in the Pharmacy who may be on duty. And remember there is still another prize—a life time scholarship in Dragon's Business College at Greenville. But the contestant who receives the second largest number of votes will be given the choice of either the ring or the scholarship. One of the lovely contestants who saw the diamond ring exclaimed, "Why I would rather have that than the piano!" Then there is a young man contestant who is extremely anxious to get the business college scholarship. Which goes to show that all of the prizes are desirable and worth going after.

COOL AND NUTRITIOUS
WELL-MADE MILK-SHAKE A DELIGHT ON A HOT DAY.
Easy to Make at Home, Provided the Necessary Utensils Are at Hand, and They Are Cheap and Easily Procured.

A food drink of real nutritive value and tempting appearance and taste is the well made milk shake. It is a lunch in itself for a warm summer's day, and is always a satisfying beverage for one who is hungry and tired. The home made milk shake is just as good as the one made by the very best confectionery. If it is properly made. To begin with, if you would be a past master in the art of shake making, you must possess yourself of a shaker. One of nickel plate that is strong enough to stand hard shaking, made with a screw cover and a little spout through which the shake can be poured into a glass, costs about two dollars. The spout is covered with a small tip which can be unscrewed, and this is fastened to the top by a short chain which keeps it from being easily lost. Shakers for less than a dollar can also be bought, and they are quite as satisfactory for making a good milk shake.

For an egg milk shake, break an egg into the shaker, add flavoring and sweetening, half fill the shaker with rich milk and shake vigorously, in both hands, for three or four minutes. Pour it into a glass and fill it with milk. If a plain milk shake is wanted, put flavoring, sweetening and milk in the shaker and shake them together by holding one hand over the top, the other over the bottom of the shaker, and shaking vigorously from the elbows.

If vanilla or some other flavoring extract is used, sweetening, either in the form of granulated sugar or a sweet syrup made by melting sugar over the fire in just enough water to boil it in solution, must be used with it. If a flavoring syrup is used that is generally sufficiently sweet.

Chocolate syrup can be kept on hand for making milk shakes. To make it, mix a third of a cupful of cocoa with two cupfuls of granulated sugar. Gradually add a cupful of boiling water and let the mixture boil for five minutes. When it is cold add a teaspoonful of vanilla and a teaspoonful of very strong coffee. This mixture of flavors produces a delicate taste, but the coffee can be omitted and twice as much sugar added instead. About two teaspoonfuls of the sugar are needed for one glassful of milk.

If the milk shake made according to the directions already given proves too heavy, make it with two-thirds milk and one-third apollinaris water, drawn ice cold from a siphon.

Curtain Straps.
Very dainty curtain straps may be made of a strip of flannel. Cut the desired length and fold the ends to form a point; also fold the net along the sides and secure it by a line of cross-stitching. Embroider a simple cross-stitch design down the center of the strip. At each end fasten either a crocheted or buttonhole ring.

These net embroidered straps are very attractive when colors matching the overhanging are used for the cross-stitching. The straps are lovely in all white with a pattern in flannel darning to take the place of the cross-stitch patterns.

Sour Cream Dressing.
Cream together one-quarter cup each sugar and butter, one tablespoon each salt, flour and mustard and a few grains cayenne. Scald half-pint jar light cream which has been soured. Add the yolks of two eggs to the first mixture with the scalded cream. Cook over hot water, stirring constantly until the mixture begins to thicken, then add half a cup vinegar, gradually, stirring constantly and finish thickening. Strain and cool.

Ginger Sauce.
Bruise one or two pieces of whole ginger, put them into a saucepan with three-ounces of loaf sugar and a pint of water and boil for several minutes, then skim and strain the liquor. Mix a little arrowroot smoothly with a little cold water; stir in the other liquor, return it all to the stewpan and stir over the fire till thickened and boiling. When it is ready for the table.

Cork Filling for Pillows.
Get from your grocer a quantity of the ground cork in which grapes are packed. With it fill pillows for the porch and hammock. They are light and comfortable and are not injured by a storm. There is no danger of their drawing dampness and becoming matted, as so many fillings do.

For Perfuming Handkerchiefs.
Break up a quarter of an ounce oforris root and tie up in a piece of muslin. Boil with the handkerchiefs for a quarter of an hour, using about three pints of water to a quarter ounce of orris root. When dry iron carefully and you will find your handkerchiefs will retain a delicate violet odor.

Laundry Hint.
When washing dresses with patent fasteners on them, fasten them before washing. This keeps the springs all right and saves time and trouble.

To Keep Onions.
Heat a poker red hot and with it slice the roots to prevent all premature growth; place in a dry cold room.

Methodist Minister Recommends Chamberlain's Cough Remedy

Rev. James A. Lewis, Milaca, Minn., writes: "Chamberlain's Cough Remedy has been a needed and welcome guest in our home for a number of years. I highly recommend it to my fellows as being a medicine worthy of trial in cases of colds, coughs and croup." Give Chamberlain's Cough Remedy a trial and we are confident you will find it very effective and continue to use it as occasion requires for years to come, as many others have done.
